0250-101-3259—For local assistance, Judicial Branch, payable  
from the Recidivism Reduction Fund..... 15,000,000

Schedule:

(1) Program 45.10-Support for Operation  
of the Trial Courts..... 15,000,000

Provisions:

1. Funds appropriated in this item shall be used for the establishment or ongoing operation and staffing of programs known to reduce recidivism and enhance public safety, including collaborative courts that serve moderate and high-risk adult criminal offenders, pretrial programs, and the use of risk and needs assessment instruments at sentencing of felony offenders subject to local supervision.
2. Funds shall be designated for a competitive grant program developed and administered by the Judicial Council and shall be used to support the administration and operation of programs and practices known to

reduce offender recidivism including the use of risk and needs assessments, evidence-based practices, and programs that specifically address the needs of mentally ill and drug addicted offenders.

3. Participating courts shall submit a joint application on behalf of the court, county, and other local justice system partners that clearly details the initiative for which funding is sought; the associated staffing activities, programs, and services to be delivered by the partner organizations; and how the grant program will cover those costs.
4. In consultation with the California Department of Corrections and Rehabilitation and the Chief Probation Officers of California, the Judicial Council shall establish performance based outcome measures appropriate for each program including, but not limited to, the number of offenders participating in these programs who fail to appear, are revoked to county jail or state prison, or commit new crimes and are sentenced to county jail or state prison. Participating courts shall provide the required data, including individual offender level data, on a quarterly basis to the Judicial Council.

5. Annually, the Judicial Council shall report aggregate level data related to these programs to the Department of Finance and the Joint Legislative Budget Committee. The first report shall include information related to the establishment and operation of the grantee programs. The Judicial Council shall provide a report to the Joint Legislative Budget Committee and the Department of Finance that addresses the effectiveness of the programs based on the reports of the established outcome measures described in Provision 4 and the impact of the moneys appropriated pursuant to this act to enhance public safety and improve offender outcomes four years after the grants are awarded. Five percent of the funds shall be designated to the Judicial Council for the administration of the program, including the collection and analysis of data from the grantee courts, the California Department of Corrections and Rehabilitation, and local justice system partners; the provision of technical and legal assistance to the courts; and evaluation of the program. Funds appropriated in this item may be encumbered and expended until June 30, 2017, after which any unexpended funds shall revert to the General Fund.

LEGISLATIVE COUNSEL'S DIGEST

Bill No.

as introduced, \_\_\_\_\_.

General Subject: Courts: fees.

(1) Existing law designates state holidays. Existing law adopts those state holidays, with certain exceptions, as judicial holidays.

This bill would additionally exclude Native American Day from the list of judicial holidays.

(2) Existing law imposes a supplemental fee of \$40 for filing first papers in certain civil proceedings, until July 1, 2015, subject to reduction if the amount of the General Fund appropriation to the Trial Court Trust Fund is decreased from the amount appropriated in the 2013–14 fiscal year.

This bill would delete the repeal date for the supplemental fee, thereby extending that fee indefinitely.

(3) Existing law, until July 1, 2015, requires a \$1,000 fee to be paid on behalf of all plaintiffs, and by each defendant, intervenor, respondent, or adverse party to a civil action that is designated or determined to be a complex case, after which existing law requires a fee of \$550 to be paid. Existing law, until July 1, 2015, imposes a limitation of \$18,000 on the total amount of complex fees collected from all defendants,

intervenors, respondents, or other adverse parties appearing in a complex case, after which existing law imposes a limitation of \$10,000.

This bill would delete the repeal date associated with the \$1,000 complex case fee and \$18,000 total fee limitation, thereby extending that higher fee rate and limitation indefinitely.

(4) Under existing law, the uniform fee for filing any specified motion, application, order to show cause, or any other paper requiring a hearing subsequent to the first paper is \$60 until July 1, 2015, at which time that fee is reduced to \$40.

This bill would delete the repeal date associated with the \$60 filing fee, thereby extending the \$60 filing fee indefinitely.

(5) Existing law, in the Budget Act of 2014, appropriates \$15,000,000 for the establishment or ongoing operation and staffing of programs known to reduce recidivism and enhance public safety by means of a competitive grant program developed and administered by the Judicial Council. Existing law, the Budget Act of 2014, authorizes these funds to be expended until June 30, 2017, after which any unexpended funds revert to the General Fund.

This bill would allow these funds to be encumbered, in addition to being expended, until June 20, 2017, thereby making an appropriation.
